AGM Cruising Weekend, 19th, 20th May 2012

This year's Annual General Meeting cruising weekend will be held on the River Nene, near Peterborough. J M Coulam, one of our business members, has invited us to use his premises at Stibbington Boatyard close to the A1 just north of Peterborough. The boatyard can offer easy launching, with a tractor if required, plenty of space for car and trailer parking plus overnight charging.

We propose to cruise on the East Anglian waterway, the River Nene which is a long stretch of pretty waterway with the option of going through a lock depending on how far we go. There will be a second cruise organised on Sunday, probably exploring another direction.

The AGM itself will be held on the Saturday evening, 19th May at the Haycock Hotel, a 16th century inn in the chocolate box village of Wansford near Peterborough. We shall have dinner at the hotel afterwards and there is accommodation should you want to stay there at £110 for a double room and £90 for a single, including breakfast.

We hope as many of you as possible will join us for the weekend – or just for the AGM and evening and we would ask you to register with Veronica Selby, as usual and put the date in your diary.

Best wishes

Barbara Penniall

AGM Cruising Weekend 19th & 20th May 2012

Name (number in party)

Tel No (& mobile if poss)
Email:

I would like to take part in the above cruise on Saturday/Sunday/both days (please indicate)

I shall bring my boat (state type/length)

and could take passengers

I am coming without a boat and would like to join someone else. I will require seats

I/we would like to be included in the meal on Saturday evening

Boaters You will require a licence from the Environment Agency, but I am applying to them to see whether they will consider a waiver for our event. I shall be in touch with you regarding this, if you register to bring a boat.

Cheques £5 per party for registration for the cruise
Please make cheques payable to the Electric Boat Association
